Summary

Dedicated and highly motivated B. Tech in Computer Science Engineering (CSE) graduate with highly focused technical acumen and a passion for developing innovative software solutions. Proficient in various programming languages including Java, Python, and C++, and experienced in web development, database management. Demonstrated ability to work effectively in team environments and independently. Proven track record of successfully completing academic projects and internships, showcasing problem-solving skills and attention to detail. Seeking to leverage academic background and technical expertise to contribute to a dynamic tech company.

SKILLS

Languages: Python, Java, JavaScript, HTML, CSS.

Soft Skills: Problem-solving, Team Work, Time Management.

PROJECTS

 [Shivam Kumar](#)

Smart Attendance System (Using Facial Recognition)

Innovative and results-driven Computer Science Engineering graduate with hands-on experience in developing a smart attendance system using face recognition technology. Proficient in Python, OpenCV, and deep learning frameworks. Demonstrated ability to design, implement a robust face detection and recognition system to automate attendance tracking, enhancing accuracy and efficiency. Adept at leveraging machine learning algorithms for feature extraction and face matching, ensuring high precision and reliability.

Paradox Coding Club (Web Development)

Enthusiastic and motivated aspiring web developer with foundational knowledge in creating responsive and user-friendly websites. Skilled in HTML, CSS, and JavaScript, with a growing proficiency in modern frameworks such as React and Bootstrap. Completed personal and academic projects that demonstrate a keen eye for design and a solid understanding of web development principles. Problem-solving abilities and eager to learn new technologies.

EXPERIENCE

Oasis Infobyte (Web Developer)

October 2023

Developed a Landing page, To-Do list and temperature converter using HTML, CSS and JS.

Cisco Networking Academy

January 2024

- Introduction to cybersecurity
- Global implication of Cyber threats.
- Impacts of Cyber Attacks on industry.
- Cisco's approach to threat detection and defense.
- Way sin which networks are vulnerable to attack.

EDUCATION

2021 - 2025	B. Tech (CSE) at Shivalik College of Engineering	(Perusing)
2020 - 2021	Class 12th BSEB S.N.S College	(Percentage: 66)
2018 - 2019	Class 10th CBSE Board GDS Academy	(Percentage: 74)
